1ST GRADERS REPORT ON OUR TRIP TO THE JEWISH CHILDREN'S MUSEUM!

"On Tuesday, we went on a trip to the Jewish Children's Museum in Brooklyn. Before we left, we ate a special breakfast so that we wouldn't get hungry on the trip. We traveled on a yellow school bus to the museum.

When we arrived, we first went to the Chocolate Factory where we learnt how chocolate is made, and we even made our own chocolate pops. They were so good!

Next we went to Noah's Teivah and Avraham's tent where we heard Avraham welcoming his guests.

Then we visited the museum supermarket where we learnt about brachot, and the Jewish Holiday exhibit where we played games to learn about the Chagim.

We also loved playing in the ball pit and on the slide in the play area.

Just before we left, we ate our lunch before we got back on the bus to drive back to school.

It was the funnest day ever!"

PLEASE REMEMBER THAT SCHOOL IS
CLOSED THIS MONDAY FOR MLK DAY

OUR LEARNING ABOUT MLK DAY

In interdisciplinary, we learnt about how people of color were treated badly in America. We discussed how everyone should be treated fairly and equally, no matter who they are. We learnt about Martin Luther King Jr. (MLK) who was a strong leader who encouraged other people to stand up for what is right by using their words and making sure that no one would get hurt. We learnt about MLK's speech where he said, "I have a dream" which led to a thought-provoking conversation in class regarding what his dream was. On Friday we marked upcoming MLK day with an assembly. We learnt how MLK was such a strong influence in helping America to change the unfair situation and improve Civil Rights so that people would be treated more equally. We remember MLK for this.

Discuss at home how we can be careful to behave fairly so that everyone is included, and no-one is left out.

LEARNING TORAH VALUES AT TAMIM ACADEMY NYC

The Tamim learners have been excitedly involved in their parasha lessons. This week's theme of Vaera is "Emunah - belief in Hashem" and last week we investigated aspects of "leadership" as part of Parashat Shemot. We discussed different leaders we know and what attributes of a person make them a great leader. The Tamim learners suggested that being kind, caring and patient, as well as not being influenced by others but rather being a role model for others are all great leadership middot. Can you think of any more great signs of leadership?

Discuss at home what leaders you know and what makes them great leaders.
