**WE LEARNED THIS SONG
ABOUT PARASHAT VAYERA!**
Tune: I made a Littel Dreidel

CHORUS

Oh, Avraham and Sara,
They knew Hashem was One.
They told so many people,
Their work was never done!

Avraham was waiting,
For guests that he could greet,
Three melachim passing,
Come in and wash your feet!

CHORUS

Oh, Avraham and Sara,
They knew Hashem was One.
They told so many people,
Their work was never done!

To Avraham and Sara,
A promise from Hashem,
You will have a child.
And Yitzchak was his name.

CHORUS

Oh, Avraham and Sara,
They knew Hashem was One.
They told so many people,
Their work was never done!

WHAT A FANTASTIC CURRICULUM NIGHT!

Thank you so much to all the parents who joined us, as well as our teachers; Morah Shaina, Morah Chaya S., Morah Chaya R., and Morah Bayla for their wonderful and informative presentations on Tuesday evening.

Sharing Some of Our Learning With You.

HOMework FOR OUR TAMIM LEARNERS: Now that the chagim are over and we have a consistent routine, the children will start to bring home small amounts of homework. Each child has been given a named reading homework bag to bring back to school each day. We ask that children read with an adult 5 minutes a day, 4-5 times a week, and record and sign their child's reading in the reading homework notebook (also in the reading homework bag). 1st grade will bring home a Read Write Inc. book and Hebrew reading words and / or sentences to read to an adult, as well as a school library book for an adult to read to them. Kindergarten children will start with just a school library book to enjoy with an adult.

Full information about our homework is on the back page of the Curriculum Night leaflet.

ELA 1st grade: How many words with 'special friends' can you fit into a sentence?
(ou, ir, air, ow, ee, oo, ar, ay, and igh words)

ELA K: This week we learned the sounds, f, e and l.
Can you 'Fred talk' m-u-d, b-a-t, and g-e-t to make words?

IVRIT: Can you find small red, yellow, green, brown and white items at home to be pretend food: תות (strawberry - red), תפוח (apple - green), עוגה (cake - brown), תירס (corn - yellow) and פסטה (pasta - white). Use your pretend food in a pretend restaurant or shop to ask for food, saying 'I want...', ("אני רוצה תות"). Can you also say what food you have ("יש לי תות")?

LEARNING TORAH VALUES AT TAMIM NYC! Each week at Tamim NYC we focus on a different value, middah or positive character trait drawn from the week's parasha (Torah portion). This week Tamim learners have been learning the middah of Welcoming Others. They wrote an invitation to the Nursery class and welcomed them to play on Friday!
How many different ways can you think of that we can welcome others?

Wishing all our Tamim Academy NYC families a Shabbat Shalom!
