**WE LEARNED THIS SONG
ABOUT INSECTS FROM THE
NYC PARK RANGERS!**

Tune: Head, Shoulders, Knees & Toes

Head, thorax, abdomen, abdomen.
Head, thorax, abdomen, abdomen.
I've got six legs and an
exoskeleton,
Head, thorax, abdomen, abdomen.

**WE ALSO LEARNED THIS SONG
ABOUT HASHEM CREATING THE
WORLD.**

Tune: Yom Rishon, Avodah.

Yom Rishon, day and night,
Yom Sheyni, fixed the sky,
Yom Shlishee, trees so high
In Bereishit.

Yom Reviyee, sun, moon & stars,
Yom Chamishee, fish and birds,
Yom Shishee, animals and us!
In Bereishit.

Yom Shabbat, Yom Menuchah,
Yom Shabbat, Yom Menuchah,
Yom Shabbat, Yom Menuchah,
In Bereishit!

WE WENT APPLE PICKING!

Written by our 1st grade journalists,
Bowie, Risha, Yosef and Shai.

"We went apple picking at the farm. We went on a school bus. It took so long. After snack we picked apples from the trees. The apples were sweet and yummy. At least it was worth going on the school bus!"

Sharing This Week's Learning With You.

What a fantastic week we have all had! We enjoyed visits from the NYC Park Rangers as well as the Nature Company, learning about insects and other animals. We learnt that insects have six legs, spiders have eight legs, and marsupials have a pouch for their babies. We even got to hold stick bugs, touch a corn snake and pet a rabbit! We have also been busy with our Parashat Noach artwork, working all together to create a Teivah with three sections for Noah's family, the animals and the garbage. We even made the rain and the dove! We also used different art media to create vibrant rainbows using paint, clay, pastels, and watercolors. Our blue and white day on Friday included decorating our challot with blue and white sprinkles.

Math 1st grade: Throw two dice together and see how quickly you can say the the total number of dots showing, without counting them. (If you don't have dice at home, the 1st graders have each borrowed two dice for the weekend.)

Math K. Can you collect different items at home and sort them?

ELA 1st grade: How many words can you think of with 'ou' and 'ar' sounds?

ELA K: How many words can you think of with the 'o' sound?

For example, shout, dark, pot.

Interdisciplinary: How many different people in your family can you think of?

Do you know how they are all related to each other?

Can you remember what the Teivah looked like and all the things that went in it?

Wishing Mazal Tov to Morah Shaina Posner on the wedding of her brother Avraham Posner to Menucha Sperlin, and to Morah Chaya Rothman on the wedding of her brother Mendel Rothman to Chani Zweibel.

Wishing all our Tamim Academy families a Shabbat Shalom!
May Hashem protect us and keep us safe.
