ח' תשרי תשפ"ד

WE LEARNED THIS SONG!

Tune: I Made a Little Dreidel

Hashem gave us the Torah,
For every single Jew.
It's written in the Chumash,
In shul we read it through.

CHORUS x 2

Bereishit, Sh'mot, Vayikra,
Bemidbar, D'varim too.
The Torah is our story,
Of how to be a Jew.

There's Avraham and Yitzchak,
There's Yaakov, Moshe too.
There's Sara and there's Rivka,
There's Rachel, Leah too!

CHORUS x 2

We come to shul on Shabbos,
We come on Yom Tov too.
We listen to the leynung,
We read the Torah through.

CHORUS x 2

- Tuesday, November 7
NO SCHOOL, Election Day
Parent Teacher Conferences in school
- The last 1:30 p.m. long Friday closure
is Friday, November 3.

Sharing This Week's Learning With You.

Kindergarten has been introduced to the sounds of m, a, s, and d, while 1st-grade learners have been practicing special friends set 2 and reading story books. In Math, our K and 1st learners have been investigating ordering and sequencing numbers. Everyone enjoyed exploring family trees in our interdisciplinary lessons and learning Ivrit family words. Preparing for Yom Kippur, we talked about this holy day and its customs. The children have learned that in preparation for Yom Kippur, we do Teshuva, which involves fixing any mistakes and strengthening our relationships. Tamim learners also enjoyed singing Aveenu Malkeinu each day in our Tefillah as well as hearing the story of Yonah and learning from its message.

How many numbers can you find in your home?

Remember to look in all the rooms!

Can you try to put them in order from the smallest to the largest?

What about the largest to the smallest (that's harder!)?

How many different people in your family can you think of?

Do you know how they are all related to each other?

These are some of the Hebrew words we learned this week:
,(grandpa) סבא, (grandma) סבתא, (daddy) אבא, (mommy) אמא
,(house) בית, (school) בית ספר.

Can you use them in short sentences like this?

“Sometimes my סבתא comes to my בית.”

How does Teshuva make our connection to Hashem stronger?

Wishing all our Tamim Academy families an easy and meaningful fast.
